Unlocking Contents Discover the definitive guide to restoring personal property, residential, and commercial spaces. Many are unaware of how to assist or proceed with property owners' personal belongings. This class demystifies the process, accompanied by statistics revealing how property owners are increasingly filling their homes and offices with personal belongings each year.
CE Credits 3 • Live Classroom Course TBD

THURSDAY, OCTOBER 31ST 9a - 12p • CNM WORKFORCE CENTER
**New class content* Voted Best in Spooky Education, packed with Halloween chills & thrills! 🎃🌟*
Fixing Bad - Meth Lab Restoration While the topic of this class may initially seem light-hearted, the reality is stark: New Mexico ranks among the top states contending with severe drug use issues. In this course, we boldly confront the pervasive presence of methamphetamine and its profound impact. Through engaging discussions, let's delve into the harsh truths surrounding drug addiction, exploring its effects on personal belongings and the significant challenges it presents.
CE Credits 3 • Live Classroom Course # 6000167733
